**Overall Calculation and Rating**

	Quality (40%)	Environmental (10%)	Safety (50%)	Total Supplier Score
Evaluation	38%	10%	46%	<b>94%</b>

Grade:	Overall degree	Grading of the Organization
Approved	> 80%	All sections exhibit good compliance without significant nonconformities
Conditional Approved	≤ 80%	Many sections exhibit only acceptable compliance. Detailed improvement actions are necessary.
Rejected	≤ 80%	Essential sections of the system do not meet the requirements. Immediate corrective actions are mandatory. A re-evaluation will be necessary. Further business transactions/relationships must be reviewed.

Questions that have significant influences on the Safety or quality and are graded with zero points can result in a general downgrading from grade Approved to first approved or Rejected.
